

put the PENNSYLVANIA PRISON SYSTEM ON TRIAL!

Join Decarcerate PA to put Governor Corbett & Department of Corrections Secretary Wetzel on trial for crimes against Pennsylvanians.

4pm Monday, Nov 19th
15th & JFK Blvd (the
Municipal Services
Building plaza)

We charge Governor Corbett with the misuse of funds for taking money from our schools and putting it into the prison system. We charge Governor Corbett with continuing policies that lock up our families, friends and

neighbors, destroy our communities and fail to make any of us safer.

We charge Secretary Wetzel with human rights abuses for the inhumane conditions in Pennsylvania's prisons.

We demand Governor Corbett cancel all prison construction, support smart legislative reform to bring our neighbors home and keep them home, and invest in education, social services and health care to build safer, stronger communities!
